STATE OF MAINE, .

LASD OFFICE Ranger, Uct. 3, 1841. Seanger, Uc kot for sale and settlement, to wit

Township No. 4, Range 5, West from the East line of the State. ¹No. 5, .4 6, j No. 6, No. 0,

Letter H, "2, " "
Letter D, "1, " "
The prices for land in these Townships will vary

payments, with interest, the three-first payments to be expended in labor on the roads in the Township where the land sold is situated, under the direction of the Land Agent, and the last payment to be in cash. Each purchaser will be required by the terms of his a ing extended its business into sixty towns, in deed, within said four years to build a house on his, the Counties of Penchscot, Waldo, Hancock, Wash-logton, Piacataquis, Somersot Eranklin and Aroos or more of which shall be laid down to game

Whenever twenty, or a less number of persons shall give a satisfactory bond at the Land Ayent, that they will within three years erect a substantial and the determination of its Officers to render it in Saw and Grist Mill in any Township lotted for set-every rest at worthy their paramage, will ensure it titers, having no mills in said Township, each of said parsons will be entitled to a deed of one lot of land. subject to the performance of the settling duties above mentioned, and the Company will be entitled to a deed of the mill lot.

Not more than four lots will be sold to any one

person in any township or tract.

The Aroustook Road has been completed this year, to the Aroustook River and as, that river is opened to the settler for an easy access to each of the above mentioned Townships.

Saw and Grist Mills/have been creeted and are

now in operation in Township Letter F, Range 2, No. 9. Range 4; and No. 11, Range 5; and contracts have been made for the erection of Mills, the ensuing year, in Township No. 9, Range 6, No. 11, Range ti, and in Letter D, Range 1.

There has been a steady demand for settling land through the reason, and more lots have been sold than in any former year. As the United States have recently established a post near the mouth of the Aroostook, and another at the mouth of Tish River, and have sent a Company of soldiers to each, new roads-will undoubtedly be soon opened through this section of the State, mail routes established, new markets opened for produce, and the settler will feel

tage of good reads and mills, and the rapid settle-ment of this part of the State, it is believed that a most favorable opportunity is now offered to young men who wish to become farmers, to secure themselves good locations, where in a few years with in-dustry and economy, they cannot fail to secure to

themselves an honorable competency. ELIJAH L. HAMEIN,

Land Agent of Main TThe following newspapers are requested to publish the above noticed weekly, for two months, and forward their bills to the Land Office for payment. BET VIAN EGARES. CLEANLINESS OF THE HEAD AND HAIR.

TRANGE it is that persons who attend scrietly to personal cleanliness, boths, &c. should neglect the Head—the Hair—the most essential—the most expeced and the most beautiful when properly cared for, of all the gifts of the Creator. Perfectly free may it be kept of dandrulf or scurf with a certainty that the hair cannot fall out, by the use of the Balm of Columbia. Indian will you rocke front toilet without this article! I answer fearlessly, No. if you have once tried and experienced its purifying effects its sweet perfunce.

A hundred articles have been put forth on the credit of this the only first the only really valuable article. A mass of testimony from all plasses to

these facts.

LOOK OUT Counterfeits are abroad; lock always for the name of COMSTOCK & Co. on the splendid wrappers, and never buy it without that

[From the Ruston Alexandels Land] -Il TWe see by an advertisement in another column that Messrs. Compack & Cn., the Agents for Oldridge's Balm of Columbia, have deputies to sell that article in Boston and elsewhere. We know a that article in Boston and elsewhere. lady of this city whose hair was so nearly gone as to expose entirely her phrenological developements. which, considering that they betokehed a most amiable disposition, was not in reality yery unfortunate. Nevertheless she mourned the loss of locks that she had worn, and, after a year's truttes- resort to miscalled restoratives, purchased, some months ago, a furnished Teachers and School Committees, bottle or two of Oldridge's Balm, and she has now | Oct. 12. ringlets in rich profusion, glossy, and of rayon blackness. We are not puffing none of the commodity has been sent to us, and, indeed, we do not want any, for though we were obliged to wear a wig a year ago, we have now, through its virtue, hard enough, and of a passable quality, of our own.

Daring Fraud.
The Balm of Columbia has been imitated by a notorious counterfeiter. Let it never be purchased or used unless it have the signature of COMSTOCK & Co. on a splendid wrapper. Thus is the only external test that will secure the public from decep-

In sid courty, on the first Wednesday W December that a monied capital to begin with does not weigh next, at ten of the clock in the forenoon, and shew a whit in the bolyice for onarmost them that, eam - can will any they have, why the prayer of said pe The prices for land in these Townships will vary according to the situation and quality of the lots, not less however than fifty cents; and probably not exceeding one dollar per acre.

The land will be sold upon a credit of four yearly payments, with interest, the three-first payments to power, and the most certain means of home tand homovable accumulation and fortune, and may be sure, under circumstances ordinardy propitious, to rise to that competency of influence, respect, and ceneral confidence, and that honorable measure of wealth and independence, which should fully satisfy a reasonable and virtuous ambition."

EXTRACTS FROM RECOMMENDATIONS. ue, morality and religion Occasional comments are given. Difficult or unusual words are defined. Prose and poetry are suitably intermingled. It is hardly to be imagined that this book should fail of popularity. It certainly would not, had it not so many competitors that have got the start of it in the As it is, its mettle is such as to give it fair promise of ultimate success in the contest. Boston

Dr. Adams: Having examined to some extent your Monitorial Reader, I am pleased with its plantits object, and the manner in which it has been executed. It seems adapted to the intellectual and moral improvement of those for whose use it was I trust it will prove to be what its author fondly anticipates.

(Rev.) Z S BARSTOW, Keene It is just such a book as our New England boys and girls will be glad to see, for it inculcates in a pleasing manner, industry, frugality, truth, honesty, temperance, peace, kindness, fortifude, and a cheerful piety. The Vocabulary, at the end, and the arrangement for defining words, will add to its value in the hands of a judicious teacher.
(Rev.) ABIEL A. LIVERMORE, Keene..

We have also recommendations from a number of ndividuals and periodicals, among which are D. rosby, Preceptor of the High School Nashua; J Newton Brown, Professor of Theology at New Hampton. It is also adopted by the Associations of School Teachers in Cueshire and Hillsboro counties: and by the School Committee of Concord.

About 8000 copies have been published, and most-

Evil effects of a partial cultivation of large farois--Suggestions for unprovements.

Ancent is we know the art of farming to be, vation and experience have each uttered their the great mistake of the times _ Facts in solid cultivate large farms columns have been brought against-it, showing the waste which it produces, and, yet still it 19 continued Now, it is susceptible of the clearest proof, that a few acres well cultivated and Pentifully manured, will-pay an income upon to which all should direct their-efforts for immethods of improved modern farming Should ing dirty work a farmer having a rich intervale that yielded him bor bestowed in its cultivation, conclude to en the Convention thought it "ill treet," if she had not returned his passion; for he was are preparing, and we have been prepared in the prime of life, handsom, pleasing in adsult in the capture of the treet, and "better not have been writed dress, and a soldier - Weeks passed; and the immation of the war land that should consume in the extra cost, the ten entire profits of the intervale would, by contin uing the practice, be thought deficient in common sense, and lacking in sober judgment them of a constantly diminishing power in the

cases, the necessity, strongly urge to the cultivation, or rather to subduing from the dominion attempting to put under profitable culture This necessity must be submitted to within certain limits, but, beyond these, no one should per mit himself to move an inch. The clearing of land and getting ready, so to speak, to make a farm, must ever be considered exceptions to all general rules for successful farming. They are not, however, without laws of their own, the just observance of which are essential to sucecas We cannot, of course, spend time even to allude to these laws at the present time, nor can state of the agriculture of Penobscot County

In now countries the temptation, and in most

But, saide from the clearing of land, the limit marks by which he must direct his course If Piksolin The Thunder-Cloud marks by which he inust direct his course if Death of an Editor.

Death of an Editor.

On Sundaymorn ng list, Mr William Barber, the able and jud clous editor and pulifisher, for them out, in length, and breadth, by diminishing the thickness. His surplus labor may be installed in the surplus labor ishing the thickness. His surplus labor may be | fraternity both of gentlemen and editors otherwise, and should be so disposed of, but the cultivation of his own acres must depend apon the two first conditions We shall not be expected, of course, to name the number of acres a Eymor should only rate as the quantity of ma. nure he should apply to a given space. To ascertain these facts, experiments must be tried. and it is for this purpose, that agricultural sociepremium, are usually too general and indefinite actness, relative to all crops, and that no reference be made to the value of labor or cost of material the amount and quality of each would be amount and quality of labor and material that is needed for practical purposes, rather than the a statement, or report, we are very-apt to mistake the incident for the principle, and thus fail in ! *-niving at a correct conclusion

Now whenever, by eareful tests it is discovered what amount of manure for certain crops; is exential to produce the most profitable increase, and fit the soil for a proper succession or withered to as a law in cultivation. To the ascertainment of the necessary facts in regard to them take care of themselves the quantity, quality and application of manure, with the readiest and cheapest mode of increasing manure every practical famoer should diligently apply himself

For the detail of facts and their true position in the system of farming, we must go to the personal experience of each observing farmer, or his medium of communication with his fellow .- en, the public press, and the mighty powers of the press can not be better employed than in pre nting suggestions and detailing facts in the every day experience and concerns of life. A prejudice has long existed against that sort of is this prejudice entirely without foundation I ha first attempts to give lessons in famoing by -ans of the press, were made by mere speculater in fine apun hypothesia, without knowl-

contributed their wealth to agriculture were in fanciful, but unsubstantial and faulty hypothe ses Practical men had not arrived at the stick-

ing point of writing their observations of facts and their close reasoning upon them. But they saw the defect in the books and gave them the ter Various stories had been in enculation reand the improvements which have been made go by, as, perhaps, good enough book farming, in it willim the last quarter of a century, both in but not fit for stout, strong men to practice for Europe and the United States, a great muniber of a living But these errors have passed, and now American Revolution, and the Indian war that Europe and the United States, a great muniber of a living But these errors have passed, and now American Revolution, and the Indian war that Europe and the United States, a great muniber of a living But these errors have passed, and now American Revolution, and the Indian war that radical defects still deform it, and which it should the best agricultural writers are among the most be the constant effort of all to remedy Obser- thorough practical men The press now speaks soberly and efficiently of farming; and should voice against the ruinous effort, so common a be cherished as the best instrument to help on mong farmers, to cultivate large farms with a the great art of agriculture. The voice of the small force, either in capital or labor. This is press has been eloquent against undertaking to rent could wish

A Poor Excuse better than none---The Editor of the "Democrat" backs out from his attack on the Mechanics Convention._.

The editor of the "Democrat in reply to our the capital and labor employed, while ordinary larticle in reference to his treatment of the Mecultivation of many acres will scarcely pay for chanics State Convention, thinks at wonderous the labor bestowed, leaving the capital out of the strange we should complain of him, as his runquestion Here then weathl have a definite point | ning commentary on the proceedings occupied only a few lines, and were only intended as a disprove. A.id, and, until they can get their breth- play of humor. The comments were none the less er s wounds with much shell, and the young girl ren contented with cultivating only-these acres objectionable for being short or for being min- prepared and administered a composing draught which they can do to advantage, it will be use- gled with a portion of the official account of father and diaghter. He slowly recovered, and less to talk about other improvements of drain- proceedings. This is a very convenient but it was with a perpetual astonishment that he age, irrigation, sub soil, ploughing, or other rather mean way, which some folks have of do-

We know of several friends of the editor of annually a good income on the capital and la the Democrat, who "regretted his article ou would have been strange if he had not loved, or bor bestowed in its cultivation, conclude to en the Convention thought it "ill tree," w

But he now says that he "did not dream of misrepresenting or insulting the Convention Very well. As he is disposed to back out, we But not unlike this in principle or offict, is the have no disposition to push the matter further, set out, but it concerned the state of the country, method of cultivating large farms. Hard work, provided his future conseshall correspond with and poor pay are the constant companions of his last expressed opinion. We are willing to such farmers with the gloemy prespects before make great allowances for the humor of our discourse, and it was only by chance, while buneighbor

THE KVICKERBOCKER November Number 1841 We have received, through David Bugher, the November Number of this sterling Magaof nature, by a partial system of cultivation a | zinc | In addition to its usual quantity and ad--larger number of acres than, with the means intrable quality of Literary notices Editor's usually at command, any one would-think of Table, always a rare treat, and Literary Record, ed ber He was startled to see how pale and it contains the following original papers, among sad she looked, but he endeavoied to spiak which will be not ced a continuation of the high

The Rev Jason Whitman of Portland, has left his Society for a southern chimate, in consequence of ill health. His arrival in Savannah interest in her nurration that I deferred my jouris announced in the Savannah Republican of the

The excitement among the Whigs, caused by the Executive and Legislative proceedings at Washington, towards the close of the extra sesties offer their annual premiums on crops And sion of Congress, and which at one time, threatwe would suggest that the statements usually made of the method of raising a crop offered for tance of usual, if they wish to manifest ETHINGTH and those who were at first disposfor scient fic or philosophical, which terms mean ed to censure the conduct of President Tyler, in mething more not lear than strict practical at the exercising the veto power, after an investigation of his molives, and reflecting soberly on his ses We would suggest, that in future, all the course, are willing to admit that he has acted his hat Who can describe his emotions when known facts be noted at the time, and with ex- the part of an honest and upright man and that he found, instead of the lovely young bride he by his opposition to a Bink of discounts, he has only carried out the principles, on which he was nominated by the Harrisburg Convention Those men who have attempted to fan the flame much better, and not likely to mislead. It is the of discord in the Whig ranks, by denouncing John Tyler as a traitor to Whig principles as guilty of inconsistency and dishonesty, already find that they have undertaken a hopeless task cost, as that is incidental, but by adding that to The great body of the Whig party will not be thus deceived. These promoters of discontent, will doubtless meet their reward. The Whigs declare, with one voice, that the While Adminis TRATION OF JOHN TYLER, must be sustained, and sustained it will be Mer Jour

The sons of the poor die rich while the sons of the rich de poor What encouragement to well dressed stranger, the reclues who had lived toil through life to acquire wealth to rum our rotation in crops, that amount should be strictly children Better to make use of our money as we go along educate our sons secure their intue by habite of industry and study, and be

From the Gift for 1842 The Recluse of the Blue Mountain.* A SKETCH, BY MRS ELLET

[Concluded] The brief negative_with which he answered me, and the cloud that came over his face, warn-haps driven by the inpulses of a restless apirit, ed me that my currosity was displeasing, and not likely to be gratified. So after receiving his in structions as to my road, I parted from him A brisk ride of three hours brought me to a settlewent if a clump of log houses could be so called at the head of Inscarora Valley I alighted at the tavern, at the door of which hung a most unhuman portrait of General Washington . farming to be found in books and papers. Nor and while discussing a substantial breakfast of a story that was long current, of her ghost hay venison steaks, hot coffee, and buckwheat cakes, I could not refian from relating my adventure of the night, and asking if aught was known of

the solitary stranger 1

edge or experience. The science of chemistry | who sat by the fire in her clean cap and chintz and of physiology, which have so assentially apron for the rare occurrence of a gentleman guest called for her special attendance "have you never heard of our Blue Mountain Hernit! their infancy. We had then high blown and and quietly refilling ref cup of coffee, she coinmenced a story, which, omitting her somewhat tedious recapitulations, I will repeat as briefly as

The hut I had observed not far from the cave was one inhabited by an old man and his daugh specting him among the honest settlers, but it von generally understood that he had been a soldier of no mean repute in the war of the many others, with poverty and neglect, he had withdrawn from the world to tire lonely spot, here he supported himself by the labor of his hands His leisure hours were devoted to the metruct on of his daughter, who grew up most lovely in person, and in mind all that a fond pa-

At the time of the Western or Whiskey In surrection in the counties of Pennsylvania lying west of the Alleghanics, it chanced that one of the officers in Macpherson's troop of Jersey Blues, despatched to attack the rioters, was engaged in a skirmish near this place. He was severely wounded, fell from his horse, and was left by his men for dead. He had but swoomed from loss of blood. On his movery he found him. credit his senses when he saw a borutant fiftee animated by an expression-of pity and symbathy, bending over him. An old man came in from the spring with water. He diesed the suffer-

The stranger owed his life to the care of the discovered every day some new charm in his youthful nurse A girl of superior education in the heart of such a torest! Was it surprising that he became dieply enamored of hir ! I stranger could no longer even feign illness as an excuse for lingering. He sit d not a word of his intended departure, but it was a matter of course. He and his kind intertainer had a long conversation the evening before he proposed to in which the old man felt a deep interest, tho he had suffered neglect at its hands. Three that was the ma den's name joined not in their sled about her work, that the officer discovered that she was weeping bitterly

Herose betimes and went torth next morning On the bow of the hill above the cottage was a rock entered a th thick groom moss and shis ded by tall pines A clear spring gushed from its bed, and trickled down the hill side, spread ing into numerous little sparkling rills heer saw Alice go up to the spring, he followcheerfully of his departure, and asked her what he should send her from the city "Nothing can please me when you are gone" sobbed the poor girl, and with a passionate burst of tears, she threw herself on the ground and buried her tace in her hands

The stranger telt as if his heart was torn in twain. He had won the love of a fair young creature, whom he could never make happy, for he-was already mirried. What a return for the hosp tality of his kind host! He dashed his hand against his forchead in self-reproach. The truth must be tall to the beautiful weeping gall so fore him, and she would execute his nichery He knelt as her ket, and laying his foreliead in the dust, uttered his confession me tom her, in wild and broken words, of his deep love, of his despair, then starting up, rushed away with-

ing his horse, was speedily out of sight
"You would hive wept, said the landlady,
wiping her eyes with a corner of her apron, "to sometimes rise from her bed to walk out, and would be very angry when her father opposed her so doing

The good dame paused a space I felt so much ney till I heard the conclusion of her story

Beta Al & . . dry . . . d at the sheam out night that she had gone out without her father a knowledge The old man kept his wo to limself, and refused to accept the bounty of his neigh | bors | His chief pleasure was to visit her grave, which they dug at his request, at the top of the

It was but a few months after her death that a strunger passed through the valley on horseback He was earnest in his inquiries after the old main and his daughter. It was the Philadelphia offiever whose I to they had saved, he was dreated came to seck, her freshly-sodden grave! tather grief had reduced him to a state of helplessness, almost of idiotcy He was no long er able to previde himself with duly bread. The stranger built himself a rude cell close by, roofed it with logs and earth, and dwelt there alone, providing secretly for the wants of the bereaved father, who in his mental imbecility never thought of asking whence came the plentiful provisions that every day appeared in his hut, or who had hired the servant that waited on him

"It is two years, continued the dame, "since the old man died. A large number of the country people attended his funeral. A stranger, dressed in black, of tashionable appearance, mingled among them Few recognised in this so long in the forest, but I well knew it could be no other

Such was the landlady s story A love tale or a good the marght have an ited the admir of come. feudal castle, under Italian skies. Its tragedy forest '

universal | Some years after, in passing through the Tus carora Valley, I felt curious to learn what had become of the recluse in the Shades of Death None could give me information, He had left to mingle once more in the world. A neat church has been exceted by the honest and thriv ing settlers, upon the very spot where the her-mitage stood. I learned that it was a favorite custom with the country maidens to go and strew with flowers the grave of the unfortunate Alice Nay, the old women sometimes repeat g been once or twice seen on the brow of the hill, where she lest parted from her lover

The above sketch was communicated to the writee solitary stranger t by the traveler in whose words it is related. It may be "Oh, my dear young sir" cried the landlady, relied on as owre true, though but a simple tale.

By This Morning's Mail.

Advices from Key West, to the 10th metant furmsh the following information respecting the gallant little squadron under Commodore Mc-Laughim, which has been despatched to Florida to co-operate with the army against the In-

The U Syschr Phenix, Lieut Com'dt Noland, arrived at Indian Key on the evening of the 6th inst after a bouterous passage of 13 days, and found there U S schrs Waye, Van Buren, and Otsego

On the 7th, Lieut Noland left the Phenix, to take command of the barges, and was succeeded in the command of the Phenix by Lieut Com dt. C R. P Rodgers During the day Commodore McLaughlin arrived at Indian Key, in the I hat, and ordered the Phenix immediately to Key West, 70-miles distant. The pilot thought he would attempt to make the run at night, as the wind was fair, and the consequence was, that in the mid-watch the vessel struck on Washerwoman shoal, off Key Sugerleaf, about 12 miles from Key West She thumped and scraped violently for about 8 h rs, in a fresh gale and rough sea, and it was expected that she would go to pieces Lieut Rodgers and his officers displayed great coolness and skill, and by self on a bed in the cottage. He could searce their exertions succeeded in getting her off between 'non wrived. Fortunately the schr www.mot.mak-milly injused, having lost a part of her false keel and had some slight damage done

to the rudder Acting Licut Barney and Assist Surgeon Broughton have been transferred from the Phenix, the former to the Madison and the latter to the Wave

Extract of a letter from an officer on board the Phonix, at Key West

"An expedition has started for the Everglades since our arrival here, but this is merely prelu-sive to the grand expedition, for which all hands are preparing, and which it is expected will result in the capture of Sain Jones and the ter-

Tekun Maranders Horrible Outrage on the L'rontier from Organized Banditti.

The Natch toolies Herald, gives the following account of an outrage, which for coid-blooded account of an outrage, which for coid-blooded armity stands almost alone, even in these days. Don't is refined Crished and Long Surar Southers

Some Texas marauders lately crossed over the line in Lou strice, and took for the presession of a citizen in the parish of Caddo. After they had carried him into the territory of Fexas it was proposed to bury him alive. With this inwas proposed to bury himalive. With this intention, a grave was then dug the unfortunate man being a witness to their movements. He stood helpless, countingench shovel-full of earth, as the quick term not on o halfe, surrounded by a gang of desperadoes, ready to crush him beneath the clod, and from whose, schience es

Overpowered with the frightful fate before hun, he bounded from his keepers, and rushed nto an adjacent the elet, but before his steps had measured many pices over the earth, a heaof the register, and tell hun of a power that conditions and particulars applied to the traveller, and tell hun of a power that conditions and particulars applied to the traveller, and tell hun of a power that knows nothing of the bounds of law, or of hu man authority but I ke the howling beasts of the wildern sa, would snap the fragile cords of to the toportione of the of the fidul in the their wrath upon him whose voice dare rise a-

The decursed man, whose name was Boat right, had thus offended them, he had, with others of his fellow citizens declared himself to be opposed to them, and, as might have been expected in a country like ours, where, from the sparseness of our frontier population, the avenues to the wrath of banditt, are wide open, the unfartunate man had to forfeit his life as a ran-

increase of the Slave I rade-Twenty-three Slavers Litting out at

The ship Howard, Capt Spaulding, arrived at Beston on Saturd it from Calcutta She touch d it St. Helena, and soiled thence Sept. 8 Capt S reports at St Helena, the slave brig Gabriel, a prize to H B M brig-of-war Acorn, captured fifteen drys out from Havana The G had a crew of sixty five Spanjards and ex changed several shots with the Acorn She had a cargo of bale goods, lumber and rice. In one of the bigs of rice were found papers which give information of twenty three slave vessels fitting out from Havana!

The Gabriel's crew were put on board the Acom which had sailed for Africa They were to be landed on a desolate and uninhabited part of the coast

The authorities at St Helena were engaged in breaking up seven other vessels previously captured. There were sixteen hundred liberat ed slaves at St Helena

Indians for Florida.
The Pensacola Gazette says that W S Horney arrived there on her way to Tanipa, with several Indian chiefs and warriors They are from the region of country in Arkansas assigned to the Seminoles In conversation with some of our citizens who understood their language, they stated that the land there was rich, but the country was sickly, the winters cold, and the game very scarce. This is a picture very little calculated to please the fancy of a florida Indian Col Worth's object in recalling there Indianalis, that they may persuade their hitherto uncon querable friends in Florida to emigrate

New Jersey. It is reported that the Whige are to be done out of the Governor, through the treachery of Joseph W Scott, Councillor for Somerset. The Loco Focos, as the story goes, have ag ced to make him President of the Council, and hous Governor ex opicio, if he will vote with theil to feudil castle, under Italian skies. Its tragedy prevent a Joint Meeting and the re-election of had been enseted in the depth of an American Gov Pennington' Good! The Whigs of Jer Surely the passion is well named see want a little rousing, and this will do it ef-
